

## CHILD ADMISSION POLICY

Children must be supervised beyond the admission barrier at all times by a responsible adult. Children must not be allowed to run about on the side of the pool.

All children under the age of 8 years must be accompanied into the swimming pool and changing areas by a responsible adult. The responsible adult must go into the water with the children they are accompanying and should maintain a close watch over them at all times. They should be in close contact with any of their children who are weak or non-swimmers (who should wear armbands or suitable buoyancy aids) and remain in the shallow end.

Parents are asked to ensure that their children wear aqua nappies where appropriate. These are available from the office.

## ADMISSION GUIDELINES

**Aged under 4 years:** 1 child to 1 responsible adult.

**Aged 4-7 years:** 2 children to 1 responsible adult.

**8+ weak/non-swimmer:** 2 children to 1 responsible adult.

**8+ competent swimmer\*:** unsupervised

\*must be able to swim 33 metres. Lifeguards will need proof of a child's ability to swim the required distance. Certificates are available from the Office.

## VARIATION FACTORS

The Duty Lifeguard may vary the numbers of children under the age of 8 who may accompany a responsible person. This will depend on such factors as the ages and abilities of the children, the numbers in the water and the number of lifeguards on duty.

Please do not hesitate to enquire about any issues regarding these guidelines. Please be aware that the Duty Lifeguard's decision has to take into account the safety of everyone in the pool and must always be regarded as final.

## POOL CAFÉ

We serve food, drink, ice cream and sweets from 8am *until the pool closes*. Eat directly at the pool-side, inside in the café or outside on our large patio area.

Our menu includes homemade meals, soups and cakes with healthy and vegetarian options. We have a full takeaway service which includes freshly battered fish and chips.

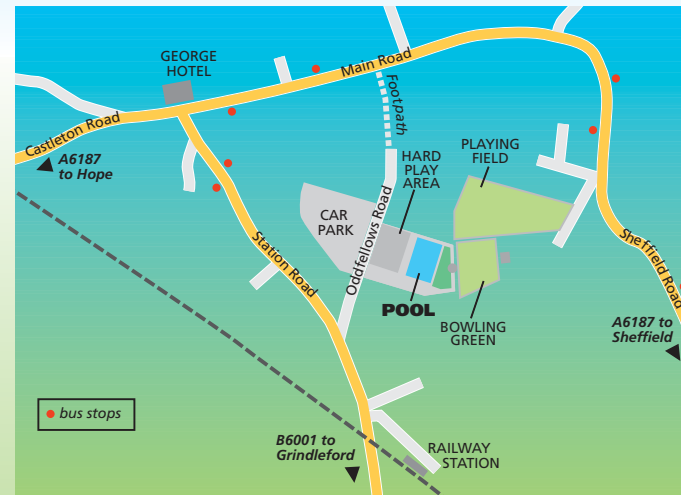

### PRIVATE PARTIES

# Hathersage Open Air Heated Swimming Pool

This outdoor heated swimming pool, managed by Hathersage Parish Council, is set in a lawned enclosure with a covered veranda to one side. It offers the opportunity to swim in the open air, amidst the glorious Peak District scenery and in **water which is heated to 82°F/28°C**. Regular users already take advantage of this, swimming throughout the seasons, and we hope our visitors will do the same. Over the last few years we have refurbished the changing cubicles, hot showers, all toilet facilities and to celebrate our 75th anniversary we have modernised and upgraded the pool tank, making this an experience which we are sure you will wish to repeat many times. If you have any queries, do not hesitate to ring us. We look forward to welcoming you to Hathersage Pool this season.
